## The smartphone

Imagine you found a smartphone. You open it, you don't have to enter a pin... Who could it belong to?

## Chat

You open the Chat and see this conversation...

## Unknown Number

Hello old sport, it's been a while. How have you been?

I've been fine, thank you. How's everything at your mansion?

The parties are as grand as ever. You should come by one evening.

I might just take you up on that. Are you still longing for the past?

Some things are hard to let go of, especially when they mean so much.

I understand. Sometimes it feels like we're all chasing dreams, doesn't it?

Indeed, but some dreams are worth chasing, no matter the cost.

I hope you find what you're looking for. See you at the next party, old sport.
